

## ICE/IEEE ITMC Conference 2018 in Stuttgart

The **24<sup>th</sup> ICE/IEEE ITMC International Technology Management Conference** will take place from **June 17<sup>th</sup> to 20<sup>th</sup> 2018**, in **Stuttgart (Germany)**. The event is organized by Baden-Württemberg Connected (bwcon), the leading technology network in the south of Germany, and the IST Innovation Institute from the Lake Constance University. ICE Conference is one of the premier conferences associated with the [IEEE Technology and Engineering Management Society](#) (IEEE TEMS). The 24<sup>th</sup> ICE/IEEE ITMC is the place where research, science and industry innovators are called for original ideas, papers, debates, initiatives and projects. For the ICE 2018 we would like to invite our growing community of researchers, innovators, industrialists, engineers and practitioners to share their insights, practices, projects and case studies that address the conference theme: **Era of Connectedness: The Future of Technology, Engineering & Innovation in a Digital Society**.

We are looking forward to your participation!

Prof. Dr.-Ing. Guido Baltes & Marc König  
General Chairs

### Stuttgart 2018

Stuttgart is the capital of the German state of Baden-Württemberg. With more than 600,000 inhabitants, Stuttgart is the sixth largest city in Germany. Stuttgart is called 'the cradle of the automobile', which is why many world market leaders are located here. In addition, Stuttgart has much to offer but convince yourself! We will organize an outstanding program for the conference 2018 in Stuttgart. Get inspired by our [welcome video](#).

---

### Call for Paper

The 24<sup>th</sup> ICE/IEEE ITMC 2018 invites high-quality papers to be presented at this premier international event. Submissions should contribute to a substantial, original and previously unpublished research in the topics of the conference. This includes theoretical research papers that provide new concepts in the domain of **engineering, technology, and innovation & entrepreneurship**. The paper submission ends on the **13<sup>th</sup> February 2018**. Find the Call for Paper [here](#).

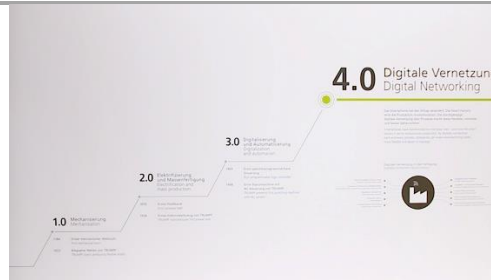

## The Conference Venue

The Hospitalhof Stuttgart is the center of the Evangelical Church in Stuttgart for adult education, art, culture and spirituality. The Hospitalhof is located on the ground of the former Dominican monastery in Stuttgart, reminiscent of the 15th century hospital church.

## Special Issues

Technology Analysis and Strategic Management are sponsoring an issue on **“Commercializing technology,”** and Computers & Industrial Engineering (Elsevier, Impact Factor: 2,623) invites best papers on Blockchain to be submitted to **“Blockchain and Tokenization in Industry.”** Additional special issues on **“Smart Services”** and **“Design Innovation”** are being organized currently ([additional information](#)).

## Important Dates:

- Full paper submission.....13<sup>th</sup> February 2018
- Poster submission..... 28<sup>th</sup> February 2018
- Full paper and poster notification of acceptance.....2<sup>nd</sup> April 2018  
(Reviews are performed as soon as papers are handed in, early submissions are strongly encouraged)
- Print-ready [IEEE-PDF express-compliant-final](#) papers,  
copy-right form.....16<sup>th</sup> April 2018
